

अथर्व

Bhutan - Land Of Thunder Dragon

Date: 13 - 20 April 2024

Bhutan is not an ordinary place; it has been the most loved country by tourists. Be its colourful culture or enigmatic mountain, the tourist places in Bhutan has always attracted tourists from across the world. The country of rolling hills and charming culture always exudes the charm that cannot be missed. Delightful people, dense forest, gigantic mountains and exclusive cuisine, always give a delightful experience. Bhutan is a place to experience and feel its warmth that will stay in you for lifelong. It evokes a sense of emotion that retains its opacity to keep you hooked. Bhutan is surprising and its traditions are visible. Masked people, colourful clothes and music are enough to keep you hooked and create interests. Then there are textiles and handicrafts that showcase the true art of the people here. Bhutan is not only about festivals and monasteries, but also of thrilling mountain activities, river rafting and archery competitions which are the part of Bhutan travel. All these certainly makes Bhutan the Gross National Happiness country giving a different picture altogether.
